Dec - Feb 2025

Events Conducted

- The Intra-Collegiate Technical Symposium *'Technova 2K24'* was held on December 10th, 11th, and 12th, 2024, for students of The New College (Shift I & II) and MIIT. The event provided a platform for students to showcase their technical skills and engage in innovative learning experiences.

- On January 8, 2025, a workshop titled *'Exploring the World of Generative AI: Concepts, Applications, and Hands-on Learning'* was conducted for undergraduate students from Arts & Science colleges across Tamil Nadu. The session, led by Mr. Jubran Siddique, provided an in-depth understanding of Generative AI, its applications, and practical implementation. Approximately 115 students participated, gaining valuable knowledge and hands-on experience in this rapidly evolving field.

- On January 8, 2025, a Student Development Programme on *Design Thinking* was conducted for first and second year MCA students of MIIT. Led by Mr. Zameer Hussain and Mr. James Deepak from the School of Design Thinking – Intellect Design Arena, the session provided valuable insights into the principles of Design Thinking and its practical application in real-world problem-solving.

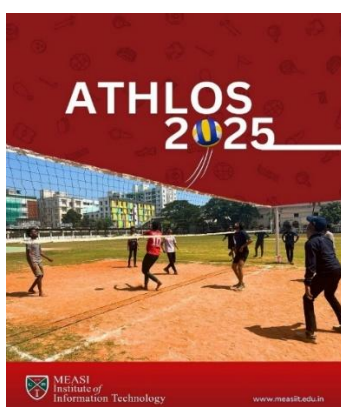

- The state-level hackathon 'Innohack 2K25' was held on January 22, 2025, for undergraduate students from Arts & Science colleges across Tamil Nadu. A total of 168 students registered, with 115 participants competing in teams of three. The online prelims, conducted on January 9, saw participation from 90 teams, out of which the top 35 advanced to the finals.

With a cash prize pool of ₹22,500, the competition recognized outstanding talent. SRMIST Ramapuram secured the first prize, followed by CT Thomas Elizabeth College for Women in second place and Islamiah College in third. Special prizes were awarded to The New College and SRMIST Ramapuram for their exceptional performances.

Mr. Muthukumar Singaram, former Senior Vice President of Software Development at GSTN, graced the event as the Guest of Honor. The hackathon was successfully coordinated by Dr. Jayalakshmi S and Dr. Saradha S, Associate Professors at MIIT, ensuring a seamless and enriching experience for all participants.
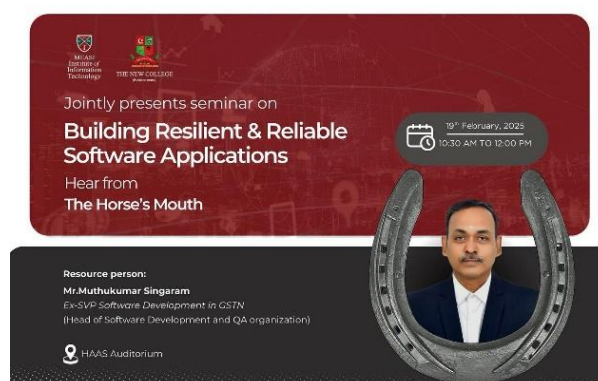

- The Intra-Collegiate Sports event *'Athlos 2K25'* was held on February 10, 12–14, and 26, 2025, for MCA students. The event featured a variety of indoor and outdoor games, fostering teamwork, sportsmanship, and competitive spirit among participants. Mr. Mohamed Ghouse A.K, Assistant Professor at MIIT, served as the Faculty Coordinator, ensuring the smooth execution of the event.

- The farewell event *'Exit Magnus'* was organized by first-year MCA students to bid farewell to the final-year MCA students on February 17, 2025, at HAAS Auditorium. The event was a heartfelt tribute, celebrating the journey and achievements of the graduating student.

- On February 19, 2025, a seminar on *'Building Resilient & Reliable Software Applications'* was conducted for students of The New College – Shift I. The session was led by Mr. Muthukumar Singaram, former Senior Vice President of Software Development at GSTN and Head of Software Development and QA Organization. Through insightful discussions, students gained a deeper understanding of best practices for developing robust, scalable, and high-performance software applications.

- The Inter-Collegiate Technical Symposium *'IRTIFAA 2K25'* was held on February 20, 2025, bringing together around 600 students from 50 Arts & Science colleges across Tamil Nadu. The event featured a diverse lineup of competitions, including four technical events, six non-technical events, two exclusive events for women, and four online events.

The New College emerged as the overall champion, securing the prestigious *IRTIFAA 2K25* trophy. The symposium was meticulously organized and coordinated by Dr. Sabarish M, Assistant Professor at MIIT, and Ms. Shameeha S, Soft Skills Trainer at MIIT, ensuring a seamless and enriching experience for all participants.

- The Inter-Collegiate Project Expo *'PROGATE 2K25'* was held on February 27, 2025, for undergraduate students from Arts & Science colleges and minority schools. Designed to foster innovation and technical excellence, the expo provided a platform for students to showcase their projects and gain industry-relevant exposure.

Around 30 students participated, presenting projects across diverse domains such as Machine Learning, IoT, AI, Website Development, and Mobile App Development. In the college category, Queen Mary's College emerged as the winner,

while Measi Higher Secondary School secured the top spot in the school category.

The event was successfully coordinated by Mr. Mohamed Ajwadh Y.S. and Mr. Veera Nageshwaran G, Assistant Professors at MIIT, ensuring a well-organized and enriching experience for all participants.

Student Achievements

- Mr. Roshan, a second-year MCA student, participated in the National Shooting Championship held in Bhopal from December 15 to 31, 2024. Competing in both the 10-meter and 50-meter events, he showcased exceptional skill and secured qualification for the Indian team selection trials.

- Mr. Abdul Rahim V.A. and Mr. Ubaidur Rahman, second-year MCA students, won second place in the Quiz Competition organized by The New College in collaboration with OMEIAT on January 9, 2025, showcasing their knowledge and quick thinking.

- Mr. Sanjay S, a first-year MCA student, secured second place in the Tamil Oratorical Competition organized by The New College in collaboration with OMEIAT on January 9, 2025, demonstrating exceptional eloquence and articulation.

- Ms. Preethika P, a first-year MCA student, won second place in the *Design A Mask* competition held at JBAS College on January 30, 2025, demonstrating exceptional creativity and artistic flair.

- Mr. Vaasim Ahamed S, Mr. Vignesh S, and Mr. Vishwa U, first-year MCA students, secured third place in the Quiz Competition held at JBAS College on January 30, 2025, showcasing their knowledge and teamwork.

- Mr. Prabhu G, a first-year MCA student, emerged as the runner-up in the *Newlogic* Poster Designing Competition held at The New College on February 12, 2025, showcasing his creativity and design skills.

- Mr. Sanjay S, a first-year MCA student, secured second place in the prestigious *Geneva Conference Oratorical Competition* held on February 12, 2025. He was honored to receive the award from Thiru R. N. Ravi, Hon'ble Governor of Tamil Nadu, in recognition of his exceptional oratory skills.

- Mr. Noorul Ameen M and Mr. Naif Basha R, first-year MCA students, secured first place in the Quiz Competition held at SRM Easwari Engineering College on February 22, 2025, showcasing their exceptional knowledge and teamwork.

- Mr. Umar K, a second-year MCA student, secured third place in the *Green Screen* competition held at DG Vaishnav College on February 25, 2025, demonstrating his creativity and technical skills.

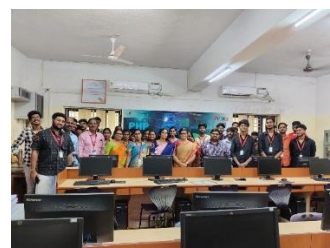

Placement & Training

- A *HackerRank* training session was conducted by the Placement Team on January 9, 2025, for all three batches of the 2024–2026 cohort. The session aimed to enhance students' coding skills and prepare them for competitive programming and technical assessments.

- An off-campus placement drive for *Zoho* was conducted on January 5, 2025, for students of the 2023–2025 batch, providing them with career opportunities in a leading technology company.

- An off-campus placement drive for *Avasoft* was conducted on January 28, 2025, for students of the 2023–2025 batch, offering them opportunities to launch their careers in the tech industry.

- An off-campus placement drive for *DSRC* was conducted on February 7, 2025, for students of the 2023–2025 batch. As a result, two students were selected for a *Training cum Placement* opportunity, paving the way for their professional growth.

- An off-campus placement drive for *Soft Suave* was conducted on February 22, 2025, for students of the 2023–2025 batch, providing them with valuable career opportunities in the IT industry.

Faculty as Resource Person

- Ms. Shameeha S, Soft Skills Trainer at MIIT, was the resource person for the workshop *'Nervous to Notable: Building Your Stage Presence'* held at SDNB Vaishnav College for Women on December 12, 2024. Designed for undergraduate students, the session focused on enhancing confidence, public speaking skills, and stage presence.

- Mr. Afzal Bijli, Assistant Professor at MIIT, served as the resource person for a one-day hands-on workshop titled *'Seamless Website Development on AWS Cloud: A Step-by-Step Process'* organized by Guru Nanak College on January 8, 2025. The session provided participants with practical insights into deploying websites efficiently on AWS Cloud.

- Dr. Usha M, Director of MIIT, and Ms. Shameeha S, Soft Skills Trainer at MIIT, were honored to serve as judges for the English and Tamil Oratorical Competitions conducted by *Feed Association for Education & Empowerment*, Chennai, on February 1, 2025. The event aimed to nurture young talents and enhance the public speaking skills of school students.

- Mr. Afzal Bijli, Assistant Professor at MIIT, served as the resource person for the one-day hands-on workshop *'Exploring Cloud Computing: A Practical Approach Using AWS Cloud'* organized by Islamiah College (Autonomous) on February 6, 2025. The session offered participants in-depth insights into cloud computing concepts and real-world AWS deployment techniques.

- Mr. Afzal Bijli, Assistant Professor at MIIT, was the resource person for a one-day workshop titled *'Exploring Cloud Computing Using AWS Cloud,'* organized by Islamiah Women's Arts & Science College on February 7, 2025. The session provided participants with practical knowledge and hands-on experience in AWS cloud computing

FACULTY AS SESSION CHAIR / PhD Viva-Voce

- Dr. Jayalakshmi S, Associate Professor at MIIT, was invited as a Doctoral Committee Member for the Ph.D. Viva-Voce examination at Dr. M.G.R. Educational and Research Institute in December 2024.

Faculty Publications

- Dr. Usha M, Professor & Assistant Director at MIIT, published a research paper titled *'Twin Face Recognition Using a Deep Learning-Based Pixel Difference Network with Edge Maps'* in *Springer Nature* in December 2024.

- Dr. Lalitha G, Assistant Professor at MIIT, published a research paper titled *'Feature Methods for Retrieving High-Quality Data with Bio-Inspired Algorithms'* in *Advanced Sustainable Science, Engineering and Technology* (ISSN: 2590-4132), a Scopus-indexed journal, on January 20, 2025.

- Dr. Vijayalakshmi J, Assistant Professor at MIIT, was granted a patent titled *'Image-Based Soil Classification Using Deep Learning'* by the Indian Patent Office on January 24, 2025.

- Dr. Revathi M, Associate Professor at MIIT, published a research paper titled *'Metaheuristic-*

Driven Optimization for Efficient Resource Allocation in Cloud Environments' in *IJCESEN* on February 5, 2025

- Dr. Sabarish M, Assistant Professor at MIIT, authored a book chapter titled *'Real-Time Generative AI Systems for Personalized Customer Experience Transformation: Employing Deep Learning Models to Enhance Engagement and Predictive Insights,'* organized by KSR College of Engineering in February 2025.

- Dr. Vijayalakshmi J, Assistant Professor at MIIT, was granted a patent titled *'Big Data Analytics Computer Server for Cloud Computing'* by the UK Design Patent Office in February 2025.

Technical Conference

- Dr. Revathi M, Associate Professor at MIIT, and Dr. Sabarish M, Assistant Professor at MIIT, participated in the *Tech Innovation Summit – Infosys TechZooka 2024*, organized by Infosys on December 5, 2024.

- Dr. Sabarish M, Assistant Professor at MIIT, presented a research paper titled *'Real-Time Generative AI Systems for Personalized Customer Experience Transformation: Employing Deep Learning Models to Enhance Engagement and Predictive Insights'* at a conference organized by KSR College of Engineering on December 27–28, 2024

- Dr. Lalitha G, Assistant Professor at MIIT, presented a research paper titled *'Feature Selection Techniques to Recuperate High-Quality Data Using Bio-Inspired Algorithms'* at the *1st International Conference on Holistic Approaches to Achieve Sustainable Development Goals with Artificial Intelligence (ICASDGAI-2025)*, a Scopus-indexed conference, on January 14, 2025.

- Dr. Hazeena K, Associate Professor at MIIT, presented a research paper titled *'Feature Selection Techniques to Recuperate High-Quality Data Using Bio-Inspired Algorithms'* at the *1st International Conference on Holistic Approaches to Achieve Sustainable Development Goals with Artificial Intelligence (ICASDGAI-2025),* a Scopus-indexed conference, on January 14, 2025.

- Ms. Shameeha S, Soft Skills Trainer at MIIT, presented a research paper titled *'Masculine Seas and Feminine Demons: Maritime Myths and Gender Dynamics in Tiya Chatterji's Horrors of the Sea''* at the *International Conference on Asia's Maritime History and Identity at Cultural Crossroads, organized by Kristu Jayanti College, Bengaluru,* in collaboration with the *University of Auckland, New Zealand,* on January 24, 2025.

- Ms. Saistha N, Assistant Professor at MIIT, presented a research paper titled *'A Comprehensive Review of Deep Learning Techniques and Applications in Text Recognition'* at the *International Conference* organized by the Department of Computer Applications, SRMIST, on February 6–7, 2025. Her paper was recognized as the *Best Paper* under the Research Category.

- Mr. Yoosuf Mohamed, Convener of MIIT, and Dr. Usha M, Director of MIIT, participated in the *Academia NxT™ Leadership Program on Sustainable Accelerated Growth: From Mindset to Measures for Success,* organized by the School of Design Thinking – Intellect Design Arena on February 14, 2025.

FDP / Seminar / Workshops Attended

Faculty name	FDP	Conference	Workshop /Seminar
Dr. Usha M	5	1	1
Mr. Mohamed Ajwadh Y S	2	0	1
Ms. Saistha N	4	1	0
Mr. Veera Nageshwaran G	1	0	2
Mr. Afzal Bijli FHM	3	0	6
