Organisational Chart and Process

Nature and Extent of Involvement of Faculty and Students in Academic Affairs / Improvements

Our faculty members will analyze each student strength and weakness. According a structured plan is prepared for the students. The students are guided in a friendly manner and we take a parental role and help them to improve their academic and other areas of interest. The students are encouraged to participate in various events / symposiums in other colleges. The students also conduct such programmes and invite other college students. Weekly tests, seminars, workshops are conducted. Resource persons are invited to deliver guest lectures for seminars and workshops. Our faculties also participates and publish papers in National and International Conferences. Faculty development programme is also conducted for the faculty members to improve their knowledge, teaching quality and enhance their professionalism.

Mechanism / Norms and Procedure for democratic / good governance

Our Trust, The Muslim Educational Association of Southern India (MEASI) which was established in the year 1902, is a truly democratic set up association. Our association is one of the oldest trust in the Country. We have multiple types of educational Institutions. The objective of the Association is to impart higher education to the Muslim community, which is economically backward. The MEASI is a non-profit organization and our mission is providing quality education to the poorest sections of the society.

The members are elected through electoral process. Each member will have tenure of 3 years in their respective post. The Executive Committee comprises of 60 members along with office bearers will oversee the day to day affairs of the Institution. Under the aegis of MEASI, the MEASI Institute of Information Technology functions.

All the needs of both the students and faculty are addressed by the Management immediately. Easy access is provided to each and every one to meet the top people in the Management. Our Management and the Institution are always helpful for the betterment of the students and faculty members.

Student Feedback on Institutional Governance / Faculty performance

At the end of the each semester, we get feedback through CAMU, an ERP software. The students will give their feedback about the Institution, faculty teaching quality, teaching methodology, attitude, and behavior etc. The feedback will be sent to the Committee consists of board members of the Institution. They will report the genuineness of the feedback to the top Management. We striving to impart good quality education and improve our governance every year.

Grievance Redressal Mechanism for Faculty , Staff and Students

A three member Committee is constituted under the Chairmanship of the Director. The grievances from the students and the faculty members are reported to the Committee. The Committee will initiate a suitable enquiry based various inputs and assess their genuineness. Finally, the aggrieved faculty or student issues are addressed in a best suitable manner.
